Freehold retirement community – Open Day

IF you're considering your retirement options then lock it in your diary: Pebble Beach Freehold Retirement community will be holding an Open Day on Friday 25th March. This will be an ideal opportunity for those interested to tour the latest stage (due for completion early March), view display homes & join friendly residents for afternoon tea!

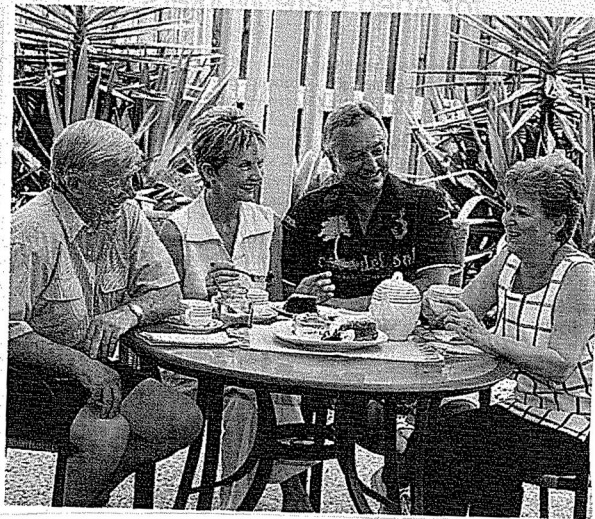
Pebble Beach Freehold retirement community is unique because its ownership structure means residents have all the rights of freehold home owners but still get to enjoy the security and community atmosphere of a retirement community. "In this way Pebble Beach has been designed to bridge the gap between full service retirement living and owning your own home," says Sales Manager Mac Jackson

And whilst Pebble Beach might not provide all the bells and whistles of some other options, that is exactly what the developer intended and is just how the residents like it.

"Pebble Beach doesn't boast a swimming pool, restaurant, bowls club or any on-site care however the community's proximity to an abundance of services, clubs and facilities allows residents to pick and choose those they want, without being burdened by ongoing costs and service fees associated with on-site facilities they may not even use."

Pebble Beach Community is at 210 Bestmann Road East, Sandstone Point – just across the bridge from Bribie Island.

It offers quality brand new 2 and 3 bedroom freehold retirement homes with prices starting from $329,950.

You can visit Pebble Beach online at: www.pebblebeach.com.au


The sales office is open 7 days per week from 10am-4pm and the Open Day will be held onsite Friday March 25th.
